Stone Bridge Rowing

2020

Corporate Sponsorship

Rowing is a Tier 3 varsity sport in Loudoun County. As such, the Stone Bridge Rowing Team does not receive any funding from the Stone Bridge High School Athletic Boosters or Loudoun County. In order for the athletes to participate in rowing they are required to raise all funding through corporate sponsorships, donations, and other fundraising opportunities.

The Stone Bridge Rowing Team has established a winning tradition and would like to continue their achievements with the assistance of personal and corporate sponsorships. The Stone Bridge Rowing Club is the non-profit organization that supports the Stone Bridge Rowing Team.

In 2020, Stone Bridge will field six Men's and Women's boats in regattas from March-May. In addition to local regattas, the Stone Bridge Rowing Team will compete in the Mathews Regatta in Richmond, VA, and the famous Stotesbury Regatta in Philadelphia, PA.

Corporate Sponsorship

Bronze - \$250: Small logo on team banner and logo on team t-shirt
